

*Second Annual*

# Maine State GIS Championships, 2010

## *Undergraduate Poster Competition*

*at the*

*Maine Municipal Association  
Technology Conference*

*co-sponsored by the  
Maine GIS Users Group*

**Thursday, March 11, 2010 ~ 8:45am to 3:45pm Augusta Civic Center**

**Open to all undergraduate students enrolled in Maine public & private colleges & universities, including distance programs**

**A panel of GIS professionals will select winners in the following categories:**

*Humanities & Social Science  
Earth, Biological & Environmental Sciences  
Cartographic Design & Communication  
Innovation & Original Research  
Community Service  
People's Choice*

Winners will receive scholarships and prizes, as well as award certificates.  
Winning posters will be added to the Maine GIS Championships on-line gallery.

**Students entering posters attend the conference for free ~ includes lunch!**

**In addition to entering the poster competition, you can...**

*Meet employers & representatives from Maine colleges  
Learn about undergraduate & graduate programs in Maine  
Hear the latest on the future of Maine's geospatial workforce  
Find career and internship opportunities*

~~~~~
